Pottery you can get at a low price

ABOUT US

Professional Customer Service

We give you the best possible experience in our stores, we give you great pottery for a great price, please come over when you can.

Committed to Quality

We give the best quality pottery to our customers, all are crafted from the finest clay from Charlotte NC.

Carbon Neutral

At Cliffords Pottery, we put the environment first. All of our products are natural resources that do not hurt the environment. To make sure we are using 100% renewable energy, we have all of our shops outside to enjoy the environment out it the great fresh air and not use up so much waste.
